#### **Angel Wing Farm**

Angel Wing Farm (AWF) utilizes Earth-friendly, organic practices at a location that will make you want to come back for more. Our 5-acre farm and greenhouse provide quality produce exclusively for The Gate restaurant and custom catering menus at The Murieta Inn and Spa. Angel House, our state-of-the-art all-glass greenhouse, is a picturesque backdrop for any retreat or reception. The farm encompasses olives, wine and table grapes, fruit trees, and 50 raised beds growing seasonal vegetables. Additional landmarks include a butterfly garden and brick patio suitable for events, or a wine pairing dinner for a one-of-a-kind farm-to-fork experience. Enjoy the bliss of the outdoors while learning about sustainable gardens.
